

The Entertainment Sourcebook 2007

(Entertainment Sourcebook). When you need to pull a rabbit out of your hat, pull your Sourcebook off the shelf. Lesley Weston, costume shop head, Metropolitan Opera Now published on a biannual basis, this is the reference book so essential that, according to set designer Robin Wagner, Broadway couldn't function without it! Packed with more than 5000 company entries from across the country, The Entertainment Sourcebook is an insiders guide to finding any item imaginable, be it a Civil War sabre, an animal to rent, a Greek fishermans hat, authentic Amish clothing, 19th-century chandeliers, or human skulls. Whether you need African imported goods, china, crystal and glassware, or plumbing supplies and fixtures, this book includes the resources to find them. In addition to hundreds of pages of products and services listings organized by category, this edition features a company index, a product index, and appendices that include Web resources, support services, professional organizations, and more. Known in the industry simply as The Green Book, The Entertainment Sourcebook 2007 is useful for anyone planning an event, even a wedding, and its indispensable for those who work in theatre, film, television, opera and print. Take it from Laura Koch, prop mistress for The Producers, If you can't find it in this book, you don't need it in your show.
