

## One Sweet Murder (A Cozy Mystery Novella): Culinary Cozy Mystery Murder Book 2

Weddings are a time for joy and celebration. Not for Jamie Van Hoff though who is confronted by yet another murder on her watch. Her fathers predictions are coming true. She is an incompetent and will get nowhere in life. Her boss is livid. In the end, she has no choice but to get to the bottom of the ruse to clear her name and keep her job. Yet, the clock is ticking..... Authors Biography Liv Taylor grew up reading cozy mysteries and as a teenager began experimenting writing her own. In her early twenties, she wrote down several story ideas and put them in a drawer. Ten years later, she has decided to take some of her original ideas and turn them into published books. She is proud to have finally published her first series. Liv is a school teacher living with her husband and two daughters in San Francisco, California.
