

Fletch and the Widow Bradley

Fletch and the Widow Bradley When Fletch finds a wallet with \$10,000 in cash inside, he doesn't realize it's the last piece of good luck he's going to see for a while. Because when he calls in to the News-Tribune, he discovers a story he's written is causing quite a sensation, and not the good kind. He might just be out of a job permanently. Fletch and the Widow Bradley If Tom Bradley, the chairman of Wagnall-Phipps and one of Fletch's principal sources, and not incidentally, the source of his papers' embarrassment, is dead, who's been signing his name to company documents, and why doesn't the company treasurer seem to know? If he's alive, how come his widow, Enid, has Tom's ashes on the mantel? Fletch and the Widow Bradley Fletch may have more questions than answers on his hands, but he knows he's a pretty good reporter, and if he's going to get his reputation back, not to mention his job, he's going to have to get to the bottom of more than one mystery.
