

## Inspector Singh Investigates: A Calamitous Chinese Killing

Inspector Singh is on a mission to China, against his better judgment. The son of a bigwig at the Singapore Embassy has been bludgeoned to death in a back alley in Beijing. The Chinese security insist that he was the victim of a robbery gone wrong, but the young mans mother demands that Singapores finest (in his own opinion) rides to the rescue. But solving a murder in a country that practices socialism with Chinese characteristics is a dangerous business. And it soon becomes apparent that getting to the bottom of this calamitous killing will be his toughest case yet . . .
