

Abraham Lincoln: The Peoples Leader in the Struggle for National Existence

Abraham Lincoln (February 12, 1809 – April 15, 1865) was the 16th president of the United States, serving from March 1861 until his assassination in April 1865. Lincoln led the United States through its Civil War's bloodiest war and its greatest moral, constitutional and political crisis. In so doing he preserved the Union, abolished slavery, strengthened the federal government, and modernized the economy.
