

Adobe Photoshop Lightroom 4 Classroom in a Book

Serious digital photographers, amateur or pro, who seek the fastest, easiest, most comprehensive way to learn Adobe Photoshop Lightroom 4 choose Adobe Photoshop Lightroom 4 Classroom in a Book from the Adobe Creative Team at Adobe Press. The 11 project-based lessons in this book show readers step-by-step the key techniques for working in Photoshop Lightroom 4. Photoshop Lightroom 4 delivers a complete workflow solution for the digital photographer, from powerful one-click adjustments to a full range of cutting-edge advanced controls. Readers learn how to manage large volumes of digital photographs, work in a non-destructive environment to allow for fearless experimentation, and perform sophisticated image processing tasks to easily produce good-looking pictures and polished presentations for both web and print. This completely revised Photoshop Lightroom 4 cross-platform edition explains new tools that bring out greater detail in highlights and shadows, and tools that help you make targeted adjustments to white balance, noise reduction, and more. You'll learn how to craft elegant photo books, organize your images by location, and easily share your images and videos on social media and photo sharing sites.

All of Peachpits eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files.

Helpful tips: If you are able to search the book, search for Where are the lesson files?

Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing

your font size and turning your device to a landscape view. This should cause the full URL to appear.
