

## Artistic Cats

Purrblo Picasso, Furida Kahlo, Mewcel Duchamp: Its a well-kept secret, but cats have always been at the clawing-edge of the artistic world! Colorful paws have left their prints as far back as Ancient Mesopotamia and scratched impressive carvings in Greek and Roman Temples. Finally, their masterful legacy is receiving its due, thanks to this witty celebration of kitty art. And what a gallery it istruly the cats meow! On display are the finest feline masterpieces: paintings from such greats as Furmeer of Delft, Frans-hissco Goya, and Clawed Monet. Gaze at Whiskers Mother and the decadent illustrations of Pawbrey Beardsley. Both cat fans and art lovers are sure to enjoy this, and have fun identifying the artists and parodied pictures.
