

# The Babe: A True Comedy: A true story from the actual extremely funny events in Babes life and the life of her family

I met Babe when she was 17 & because her family all lived together, her mom & dad, her grandparents, and her uncle & aunt in the same house, they told me all the true stories from when she was born. I know all the funny details of every one of her antics she played on all of her family & other relatives with her cousin Dolores who lived down the street from her. They were both born a couple of weeks apart and became more like sisters than cousins in everything they did. All of it is absolutely true & you'll be laughing from the start of it to the ending!!!!!! Besides being hilarious, it is a heartwarming & loving story of a beautiful little girl growing up in the innocent fifties. The story takes you from when Babe was born till now and I KNOW YOUR GOING TO LOVE EVERYTHING ABOUT IT!!!!!!!!!!
