

Audition for Your Career, Not the Job: Mastering the On-camera Audition

You've got a big audition lined up for a role in a film or on a television series. What do you do now? AUDITION FOR YOUR CAREER, NOT THE JOB covers steps you can take and specific skills you can put to use immediately to feel more confident about your performance in your next audition and make a great and lasting impression on casting directors and producers. If your work is consistently first-rate and memorable, then every on-camera audition is an opportunity to advance your acting career. This book will teach you techniques that improve your ability to read and interpret the sides quickly, helping you to trust your instincts and craft strong, bold, specific acting choices, and setting you up for an active and profitable career.
