

## STILL MORE HELL ON WHEELS

Jean Starnes sees the world astride an electric scooter. We used to call them motorized wheelchairs. But then, we used to call a lot of things by different names until writers like Jean started sharing their perspectives with us in books like *Still More Hell on Wheels*. And perspective is what it is all about. Want to laugh about disabled people tangling with store clerks who refuse to sell them shoes, or battling with utility companies or just dealing with the problems of everyday life? This compilation of artfully written newspaper columns is guaranteed to entertain you five minutes at a time or pleasant enough to read it all the way through nonstop. Jean's book is so personal you will feel like you have a new friend after you read it. Recommended for readers of all age groups. -Dan Dane, author of *Fireflies in the Delta*, *Bloodlines of Tyranny*, and *Conduct to the Prejudice of Good Order-the last years of the Vietnam War* In many ways Jean Starnes is not like the rest of us, yet in more ways, she is exactly like us. You see, from birth she has successfully managed a wicked case of cerebral palsy. Her condition brought with it a unique world view, one she has recorded in 57 of her best newspaper columns. They are in *Still More Hell on Wheels*. Read it! She'll tell you the truth about being disabled and you'll learn that life is still full of fun and challenges and definitely worth living. -Marla Cooper, author of two short stories published in *Texas Short Fiction*, *a World in Itself*.
