

## Bohemian Stomp! (Orchestra Expressions Book 1)

Your beginners will love this charts bohemian flair. Although it has a novel attitude, theres serious music and solid reinforcement for all the fundamental techniques taught in any beginning string method book. An optional piano part is provided as well. Although the work is performable by students at the end of Orchestra Expressions Book One, it would be well received by students performing in more advanced string ensembles. Be sure to program this uplifting original Sandra Dackow selection. (0: 52)
