

Brain Games: Word Searches (Large Print)

Brain Games Word Searches #2 Large Print offers more than 80 word searches in a large-print format. The book's content is 100 percent different than the content in the first Brain Games book of large-print word searches. The word searches get progressively more challenging as you proceed through the book. Each word search is spread out over two facing pages for easier readability. Strain your brain, not your eyes, as you solve the word searches. Solutions are provided in the final section of the book. Brain Games Word Searches #2 Large Print is spiral-bound and handy to use, no matter where you are at home, on the road, waiting in line, or relaxing poolside or on the beach. Take along the book wherever you go. The Brain Games series was developed to help people increase their memory, sharpen their reasoning, and expand their creative thinking. Solving word searches can provide a vigorous mental workout for virtually everyone, from teenagers to senior citizens. Word-search puzzles help enhance the following cognitive functions: Attention Creative thinking General knowledge Language Problem solving Visual search
