

## Britains Brainiest

Find out how you compare with Britains Brainiest in this addictive quiz book tying in to the smash hit ITV series. Brought to you by the experts behind Who Wants To A Millionaire?, Britains Brainiest is a nation-wide televised quest presented by Carol Vorderman to find out, through a gruelling general knowledge quiz show series, who Britains most intelligent hairdressers, doctors, taxi drivers, estate agents, kids etc, really are. The quiz book brings you all the excitement of the show and is laid out so that you can follow the dastardly round by round elimination system with your own family. Will you be revealed as the brainiest amongst your friends? Or will you be humiliated and ejected in an early round? This book will also contain missing link and code breaker sections from the show as well as the statistics on all the tested groups so that you can compare your results to those of, say, the taxi drivers! Youve always know you were the brainiest amongst your family/workmates/class - now you have the perfect excuse to prove it!
