

# Founding Character: The Words & Documents That Forged a Nation

The essential historical references and documents in this volume reflect the character of the United States during the Revolutionary War. This compilation includes the Causes & Necessity of Taking Up Arms, the original and final drafts of the Declaration of Independence, the Articles of Confederation, the Treaty of Paris, the Constitution, the Bill of Rights, and George Washington's farewell address. Amendments to the Constitution and the preambles to state constitutions are also featured.
