

Troubles at Salamanca

This work is based on a single chapter, by the same title, in the Autobiography of St. Ignatius of Loyola. (This text can be acquired freely online.) As such, the author hopes that the reader may approach it in the light of the Principle and Foundation of the Spiritual Exercises of St. Ignatius of Loyola. The work was originally intended for performance on the Feast day of St. Ignatius of Loyola in 2013. This did not happen. It is hoped by this nascent playwright that persons, especially students, at various levels of education will benefit from a reading of this work.
