

Carmen (French Edition)

L'action se passe à Séville, en Espagne. Carmen, une bohémienne au tempérament de feu, est arrêtée à la suite d'une querelle. Elle séduit le brigadier Don José, fiancé à Micaëla, et lui promet son amour s'il l'aide dans son évasion. Don José libère Carmen, et se fait emprisonner à son tour. Il la retrouve deux mois plus tard parmi les contrebandiers et poursuit. La bohémienne finit par le repousser avec une passion dévorante. La dernière rencontre entre Carmen et Don José se déroule devant les Arènes de Séville: alors qu'elle attend son nouvel amant, le torero Escamillo, José tente de convaincre Carmen de revenir auprès de lui. Désespéré, Don José supplie, mais elle refuse: il la poignarde, avant de confesser son crime devant la foule.
