

CARROT TOPS JUNK IN THE TRUNK: Some Assembly Required (Carot Top)

This book is a collection of indispensable tools for the modern age that will revolutionize society, bring about world peace, help you lose weight, increase your sex drive, and change your life forever. Or, if nothing else, it will make a dandy coaster for your coffee table. Carrot Top has traveled the country the last few years with his trunk of creative inventions, performing to thousands of fans each night at universities and performing arts theaters. He is host of his own show on The Cartoon Network and has appeared numerous times on The Tonight Show and other television shows. His first feature film, Chairman of the Board, will be released in 1997.
