

Chess Developments: The Sicilian Najdorf 6 Bg5

Chess Developments is a series which provides state-of-the-art openings coverage. Chess Developments focuses on the current trends?concentrating on critical lines, theoretical novelties and powerful new ideas. It offers players of all levels the opportunity to keep up-to-date with current opening theory whilst also expanding and improving their repertoires. The Sicilian Najdorf is undoubtedly one of the most popular chess openings. It was played with great success by world champions Bobby Fischer and Garry Kasparov and today it remains a favourite defense at all levels from grandmaster to beginner. 6 Bg5 is widely acknowledged as a critical test of the Sicilian Najdorf. It leads to razor-sharp positions and hotly debated lines such as the fascinating Poisoned Pawn, where one small slip by either side can be fatal. In this book, International Master Kevin Goh Wei Ming examines the most theoretically important and instructive games in recent years, highlighting the main developments and novelties for both sides. Whether playing White or Black, this book provides you with essential knowledge of an important opening. Essential coverage of the Sicilian Najdorf 6 Bg5. Packed with key new ideas and critical analysis. User-friendly design to help readers absorb information
