

2005 Civil Procedure Supplement, 2005 (American Casebooks)

In addition to serving as a rules supplement for Cound, Friedenthal, Miller and Sextons Civil Procedure, Ninth Edition, this supplement is ideally suited for use with all pleading and procedure casebooks. The supplement contains the federal statutes and rules governing procedure, along with comparative state provisions. Helpful additions include notes of Advisory Committees and an illustrative problem with sample documents and a litigation flow chart.
