

Twisted Tales: A Comedy in One Act

When the Evil Queen from the fairy tale Snow White realizes that all villains lose, she hatches a devious plan to mix and match the characters from several popular fairy tales. Chaos erupts as the wrong heroes attempt to rescue the wrong victims from the wrong villains. Will the villains succeed in changing their fate? An unexpected nonfiction character may just be able to set everything right and teach the rebellious characters the importance of their roles and the power of their stories. This play was written by Mrs. Malans 4th-grade class, 2014-2015 with help, supervision, and final editing by L.C. Hamilton.
