

## Get unstuck the past is history: How to gain true confidence with women

A very entertaining, fascinating and honest read. It takes you through a journey of how somebody hopeless with women managed to transform himself into the sort of man who can enjoy the success with women that most men only dream about. A very detailed and intense guide on how to deal with the common challenges faced in today's world. Much research has been made over many years in the attempt to understand female psychology and more importantly how to adapt behaviours to attract women. The book takes the best of the best and condenses decades of hard work into this easy to understand manual. This book covers everything from how to stand out from the competition to attract beautiful women, secrets to approaching women naturally, starting conversations to getting dates, and getting over the fear of rejection.

Throughout the book, many techniques and word for word scripts are given to create long lasting attraction and how to get over fear of rejection regardless of your past. A great way to get started for anybody wanting to get more successful with women whether you are a beginner who is just starting out or if you are want better results.
