

The Tempestuous (Shakes Opera Book 4)

Although it may sound thunderous and powerful and it also has a shipwreck, The Tempestuous is in no way related to The Tempests Shakespeare play. A boat travels alone and although he has everything against him, he is brave enough to shake off his miseries to assert himself and make it through the tempest... or not. Shakes Opera Series consists of Seven Colouring Books with plays to sing along while following the illustrations and staging the scenes.
