

## COMEDY HYPNOSIS ROUTINES

This is the follow-on and ultimate companion guide from the best selling Hypnosis For Fun Kindle Book. Since the age of eleven, the author was a devotee junior magician appearing at old time music hall productions and childrens parties performing escapology and other conjuring, with the great Ali Bongo, David Nixon, Houdini and many other famous magicians as his inspiration. As the appeal of performing magic lessened, the author began to unravel the myths of Hypnosis and decided that Stage Hypnosis was not anywhere near as appealing as performing on-stage Magic, but nether less was better fun in small audience environments. In the book the Author reveals the secrets to routines, including complete invisibility to your friends. Thats right using the techinques in Hypnosis for Fun and these in Comedy Hypnosis Routines you can become completely invisible!
