

Complete Little Orphan Annie Volume 5

Together with the blind fiddler, Uncle Dan, Annie squares off against the Chizzler, then embarks on her first novel-length adventure. In a story lasting nearly a full year, Annie's supposed real parents - Boris and Libby Bleek, leaders of the criminal Ghost Gang - gain legal custody of her, while Daddy Warbucks is hounded into jail by the unscrupulous politician, Phil O. Bluster. The One-Way Road to Justice leaves a penniless Annie and Daddy and on the bum amidst the Great Depression. Contains every daily and color Sunday strip from July 10, 1933 through February 10, 1935, printed directly from Harold Gray's original artwork.
