

## I The Defendant

It could happen to you Yes you. Imagine for one minute that youve found the partner of your dreams , the love of your life Finally youve got what everyone wants But then the dream is shattered - in fact, bit by bit it becomes a nightmare as it all falls to pieces before your eyes. Youve been framed in the name of love, hate and revenge by your womans former lover - a man you once called a friend. And he wants nothing more than to see you accused of a crime you havent committed. He knows that once youre hauled before the Kangaroo Courts of the English judicial system youll be eaten alive. Only you know youre innocent and youve got to fight for your freedom. But the walls of your past are closing in; it seems the justice systems not only failing you but actually plotting your downfall. Could you beat a system thats stacked against you? Could you survive unjust imprisonment and the hatred and revenge of a bitter enemy while slowly losing the love of your life? This a blow by blow account of Gerry OHallorans struggle for justice; the story of a man who took the punches and fought on to the bitter end. It could so easily be your story too.
