

Doors Into the Play: A Few Practical Keys for Theatricians (Studies in Judaica and the Holocaust,)

This book is the synthesis of interviews conducted with Sydney H. Spayde, the late award-winning veteran theatrical director of over 340 plays and founder of several theatres around the country. Spayde, who speaks from a deep well of experience and from a passion for artistic quality, asked his devoted former students to delineate some of the most memorable keys that he has devised over the years to help unlock their acting potential.
