

Mom! I Want to Be a Star

This is the ultimate show-biz how-to guide for aspiring kids and their parents, written by Hollywood's number-one kid-talent expert and executive producer for Disney, ABC, and the WB, Irene Dreayer (the Dray). As a thirty-year veteran of discovering kid stars and producing hit TV shows such as the Disney Channels *The Suite Life on Deck* and *The Suite Life of Zack & Cody*, as well as several TV movies, Dreayer has seen hundreds of kids try to make it in show business. Most parents and kids don't understand the steps or how to navigate the ins and outs of the industry. Most make critical mistakes. As Hollywood's only trusted career coach for kid talent, Irene Dreayer developed the Dray Way (www.thedrayway.com) as her proven method for guiding show-biz kids and their parents on how to audition correctly, how to handle the business side, and how to deal with issues such as image and rejection. The Dray Way is her method for working with kids and training parents on how to pursue this business we call show in a strategic manner, the right way. This book is designed as a workbook for parents and kids to do together. Every chapter explains, informs, and delivers the honest truth about specific aspects of the entertainment business and outlines the crucial information kids and parents need to learn as a family. Some chapters are designed exclusively for parents, but most are a family affair. The exercises in each chapter are to be completed by parents and kids in order to learn the skills required to be a better actor, singer, or dancer. *Mom! I Want to Be a Star* is entertaining, fun to read, and a wonderful opportunity for families to explore together their child's dream and desire to become a star.
