

Essentials of Business Law and the Legal Environment

The Fifth Edition of this popular text offers complete coverage of business law and its environment in a non-technical, straightforward style. (Coverage is less technical than that in Smith and Roberson, Ninth Edition.) Cases are summarized and integrated into the chapters. Legal issues and court decisions are carefully explained with a minimum of legal jargon. Essentials covers all required business law topics for the CPA exam. The Fifth Edition includes a chapter on environmental law and features The Law and You, Ethical Dilemmas, and Law in the News.
