

## Humorous Lines and Clever Interjections for Contemporary Flirting

After so many years of social interaction you have common sayings you gravitate to quite often. You have your cant argue with that line. Your you need to get out more line. Your I call it like I see it line. You find no reason in brushing up on your humor when thats what she said interjections win over social circles just fine. Performing a stand-up routine is not something on your list of things to try this year and you are kind of past the Im going to be overly outgoing shtick, yet the charming nature of being quick-witted is something you and the rest of us still find appealing. In comes a collection of a couple hundred phrases and words that is not exactly a how-to book. In fact it was never meant to be a book at all. Years ago, a very good looking young gentleman, going by the pseudonym Upward, started noting remarks he found inherently playful and somewhat common in conversation for only his personal use, until recently when he decided to pack them up, add examples, and share them with the self-improving public. They are phrases to laugh at. Most of them you will recognize. Now you will have the lines in your metaphorical back pocket to nonchalantly pull out when needed. In essence, a manual to ease your lesprit de lescalier. Socially potent fire, if you will.
