

Get Stuffed: a one act play

Synopsis: Marty tries to live his life while contending with a foul-mouthed teddy bear who says all the things Marty cant or wont. It isnt easy for a grown man to live with an oversized talking stuffed bear and Furball fears being sent into exile again. But who needs who more? During a visit by a woman Marty is interested in, Furballs antics cause Marty to imprison the bear in a closet painfully reminding the bear of his years of attic exile. In response, Furball stops talking and Marty must decide if life is better with or without the voice of his friend. Cast Size: 2 Males, 1 Female
