

The Dragon (Grandmaster Repertoire)

The Dragon is one of the most thrilling chess openings and a favorite of attacking players. But can this sharp and provocative system still be played in the modern era? GM Gawain Jones says Yes! In this two-volume work, the world's strongest Dragon specialist guides you through the Black repertoire he has played successfully against world-class opposition. Drawing on his deep understanding as a lifelong Dragon exponent, Jones explains the key concepts and supports his recommendations with cutting-edge analysis. This volume deals with the 9,000 variation of the Yugoslav Attack, along with the Classical and Whites various other tries.
