

Heritage Italian-American Style Bilingual (2nd Edition)

This newly revised second edition is now available in a bilingual format and has been expanded from the original 1492 to 1776 fact-filled questions. The five major categories (Food, Music, Entertainment; Art, Science, Literature; History, Geography, Business; Sports; Romans) cover 3,000 years of Italian genius and innovation, with an index of over 2,700 entries. The new bilingual second edition also contains six comprehensive internet address directories covering areas like language, genealogy, culture, organizations, food/wine, anti-defamation, etc. Additionally, a special section listing over 50 major Italian-American magazines and newspapers printed in the United States, along with subscription information, is also included. I guarantee that this will be one book you will love to own and give to others. Just ask the 5,000 enthusiastic purchasers of the first edition. If you have any questions, please feel free to email me at: heritage1492@earthlink.net or telephone me personally at: 1-800-715-1492, I'd love to hear from you. Best regards and mille grazie, Leon J. Radomile, author/publisher
