

High School Biology Tutor (High School Tutors Study Guides)

Specifically designed to meet the needs of high school students, REAs High School Biology Tutor presents hundreds of solved problems with step-by-step and detailed solutions. Almost any imaginable problem that might be assigned for homework or given on an exam is covered. Topics include life processes; principles of ecology; cell structure and function; genetics; a complete overview of the protista, fungi, plant, and animal kingdoms; and an in-depth section on human anatomy. Fully indexed for locating specific problems rapidly.
