

Talking Dirty

Women should be obscene and not heard
John Lennon
The only unnatural act is that which you cannot perform
Alfred Kinsey
Fat people are brilliant in bed: if I'm sitting on top of you, who's going to argue?
Jo Brand
What most women want is not a man who ties you to the bed but one who unstacks the dishes while you watch
The Great British Bake Off
Harriet Harman
Throughout the centuries, talk of sex has proved irresistible, producing wide-ranging responses, contradictory remarks, denunciations and appraisals; something seen as harmless by one is often condemned as damnable by another.
Whatever your sexual preferences, Talking Dirty is a hugely entertaining treasury of wit on this endlessly entertaining and controversial topic.
