

Full Windsor

Full Windsor is equal parts murder mystery, love story and cautionary tale that is related by three distinct narrators. The first, Jayson Sullivant, still recovering from his encounter with the salaciously scandalous Kymera in Half Windsor, finds himself as the prime suspect in the murder of his Cafe Vive Live co-host, his cousin and fellow local celebrity Fabian Carter. As Jayson begins attempting to prove his innocence, he receives help from an unexpected source: the second narrator, Detective Vince Grey. The detective believes that his partner, the religiously zealous Trajan Morian, may have more to do with the crime than it appears, as evidenced by his dealings with the third narrator, Darell Deasy Armstrong, a man with a flagrant distaste for the law. As Jayson works to exonerate himself, he learns we are all more interconnected than we might think and that the truth often hides in plain view.
