

M Is for Malice: A Kinsey Millhone Mystery

Kinsey Millhones latest client is Malek Construction, a \$40 million company still in family hands. It doesnt take an accountant to see that the four Malek brothers stand to inherit a fortune. But one of the brothers has been missing for 18 years, and Kinseys assignment is to find him. The stock of family memories is filled with nothing but bitterness, and the prodigal son will find no comfort at the Malek table. If theres one thing that goes hand in hand with bad blood, its murder - and thats just around the corner.
