

Twitter in 20 Pages

A quick but thorough, basic English guide on everything you need to know in order to start using Twitter effectively, including guidelines on setting your Privacy and Security settings. This guide is sure to impress you, as it provides a very detailed and thorough introduction to Twitter in only 20 pages.** The organisation of the book is as follows: 1 - What is Twitter? 2 - Alright, alright, sign me up! This section helps you sign up AND SET UP your account with attention paid to your Privacy and Security (a very important component that is commonly missed, particularly in Twitters Sign up process). This guide will give you the info you need to know to feel good about your account. 3 - What do I do now? Tweet, Navigate around, Connect, Discover and #More This section emphasizes: - Tweeting, with attention paid to Replying and Mentioning other users. - The purpose of the various sections available when using Twitter (@ Connect, # Discover, Trends). - The purpose of the Hashtag, when to use it and #howtouseitproperly. - Changing your Profile Header and Design. 4 - Making the most out of it: I want to be a cool blue tweeter too! This section includes tips on how to: - Engage in conversations using the Hashtag. - Obtain more followers by starting a conversation or adding to one and by composing appealing tweets related to popular topics (Trends). - Get Mentions from your idols. - Be confident about being yourself on Twitter. - Unfollow users and when to unfollow. All throughout, this compact guide includes: - Explanations of the various terms (for example, Hashtag, Mentions, Followers, Feed) - Helpful examples - Photo illustrations, and - Fun facts. Evidently, everything you need to know, packed in to this compact guide of only 20 pages. This was Gianfrancos objective: to deliver a short but highly effective guide to get you more than just signed up with one of the most widely used
