+ GREAT VALENTINE GIFT! + Almost 1000 hilarious & inspiring definitions, quotations, verses and sayings about LOVE! + the ultimate collection + great sayings that will give you inspiration What is love was the most searched question in Google in 2014. That asks for an explanation. We already know that love is actually a powerful neurological condition like hunger or thirst, only more permanent. Our brain can release a whole set of chemicals: pheromones, dopamine, norepinephrine, serotine, oxytocin However, from an evolutionary perspective, love is more like a survival tool. At his best love, all love and romance is a kind a passionate commitment that we nurture and develop, even though it usually arrives in our lives unbidden. That is why it is more than just a powerful feeling. Love and romance is the driver for all great stories. But what do the people of the world really think about love? In this Love quotes ultimate collection book we tried to bring together all the best quotes/definitions, sayings and verses about love that people have used during the years. So I am sure after reading this book you will have a good understanding what LOVE and ROMANCE really is! (And of course you will also have a good laugh sometimes)
