

Twitter How-To: 31 Quick & Easy Things To Tweet About! (31 great ideas you can use anytime to create fantastic tweets people love!)

In this breakthrough new book we'll cover 31 specific things YOU can tweet about to get more clicks, more followers, and more retweets FAST. Whether you're an author, business person, or just want to use Twitter better and faster, you can use these techniques to tweet about good stuff people want to see, brainstorm your own GREAT tweet ideas in a flash, and even structure your tweets the right way to maximize your results! Heck, we even break down the anatomy of an effective tweet and take out all the guesswork! In fact, here's just a sample of what you'll discover in this short, powerful book:

- What to tweet about when you have no idea where to begin...
- How to leverage someone else's wildly successful tweets (with no work for you)...
- How to use the Family Feud technique to never run out of tweets...
- How doing mini smackdowns can make you a Twitter sensation with your followers...
- How to have Google feed you a never-ending stream of targeted ideas for tweets AUTOMATICALLY!
- How to bird dog for your followers and keep them glued to every tweet (because you save them money)...
- A specific tweet you can use to build relationships AND create a feel good experience for your followers...
- The absolutely easiest tweet to make that always gets people thinking...
- Why Julia Child would have been an awesome Twitter user...
- How to put it all into action in less than 5 minutes a day (actually, more like 3 minutes a day) ... and much, MUCH More!

Don't miss this breakthrough NEW book that will finally mark Twitter as DONE on your marketing to-do list so you can confidently move forward using one of the most popular social media tools in the entire world to get more readers, make more sales, and build your business! Grab your copy now!
