

## Or - Is It A Game Or Is It Life

OR is a book or game of exploration, discussion, and mental stimulation, but most of all fun! It's a primer for the conversationally challenged...or the life of the party! OR explores choices in pop culture, history, politics, science, music, sports, and more. It also helps you learn the inner thoughts of your mate, your friends, your family, your coworkers, and yourself. To play, simply select an or from one of the thousands of choices in the themed chapters. Ask yourself and others which they would choose and why.

Richest Person Alive OR Sexiest Person Alive  
Tiger Woods OR Jack Nicklaus  
Elia Gonzalez Belongs In: America OR Cuba  
You might be surprised what people pick. There is no right or wrong answer when it comes to OR - only interesting choices. Play OR and let the fun begin!
