

Bite Me: Dilemma and Delight in a Meter Readers Life

Was your dog sleeping in his doghouse while you were at work all day? Just maybe, he was touring the entire neighborhood with the meter reader giving chase. You never really know what your dog is up to when he is home alone. But, Janis Aumack does. Share in her dilemma and delight as one day she is sexually molested and nearly strangled by an incredible hulk of a dog and the next day she is tossing a tennis ball to an eager Golden Retriever.
