

Maran Illustrated Computers

Produced by the award-winning maranGraphics group, Maran Illustrated Computers is a valuable resource for all readers, regardless of experience. Maran Illustrated Computers is packed with information useful to readers who are interested in purchasing their first computer and are learning about computers for the first time. Experienced computer users will find this book a comprehensive guide filled with the latest technologies. The easy-to-use maranGraphics format combines text with colorful, informative graphics for an unbeatable synergistic learning experience. Readers have the option of reading the book cover to cover, or simply reading the individual topics they are interested in.
