

## More Memoirs of an Old Cyber-Cowboy

Where were you when a new technology was emerging out the hearts & minds of young, idealistic entrepreneurs that wanted to change the world? Dr. Martin D. Hash, Esq. was unique in his innovations - selected as one of Animation Magazines 15 Top CGI Pioneers, and profiled in Wired Magazine, among others. But most importantly, Martin kept a contemporary, erudite commentary of those exciting times. These contemporary stories follow the birth of an idea and a product, and the people who made it possible. Every story is a new idea springing into existence.
