

Mikes Tea Party In Our Day!: That Old Guy Who Mouthed Obama Was A Liar Was Right (Volume 5)

More conversation starters that are packed with something to keep the talk going all night and into the morning for the Tea Party Patriot. Who knew that old guy who famously mouthed that President Obama was a liar was prophetic? Plenty of examples here of how he was right. Then it is on to that day where Obama thought he could end up over his eight years in office without adding to the deficit. He dreamed of a new kind of America, and as a foot note to that dream, he actually reduced the deficit under his watch. Then on to the fascinating Mayans and their famous dooms date. Could it still be on because it was predicted so long ago? Some of this material is bound to end up in your dreams to make them more enjoyable.
