

## Minestrone for the Mobsters Soul: Life Lessons from the Movie Mafia

14 Life Lessons gathered from growing up on the west Side of Chicago in the 60s and 70s, utilizing Mob and Mafia movies. This is a self-help book for mob wannabes who can gather valuable insights into applying concepts such as loyalty, honor, respect and the law of omerta into their daily lives. Each chapter features a story followed by a lesson influenced by movie characters from our favorite films like THE GODFATHER, GOODFELLAS, CASINO, BRONX TALE, etc. Two cousins grow up fast as they become associates of the Outfit in Chicago and learn what it takes to survive in this environment. The book concludes with a list of the top 100 mob movies of all time, complete with reviews.
