

Modern Violin Method, Grade 1 (Modern Method)

Introduces adults and school-aged beginners to the instrument and provides instruction related to the fundamental skills necessary to play the violin in a technically correct and musically satisfying way. Ideal as a partner book for students in school string programs as it provides a review of initial skills, an introduction to advanced technique ear training exercises and an anthology of repertoire. The enclosed teaching points can also supplement Suzuki Violin repertoire and provide students and parents involved in Suzuki lessons additional ear training activities and music literacy exercises. These tunes are varied stylistically and include folk tunes from various cultures and original and classic melodies chosen for their musical value and accessibility. Includes access to online audio.
