

## Neil Swaab: Rehabilitating Mr. Wiggles (Attitude Featuring)

Neil Swaab is one of the most dangerous cartoonists in America. Astoundingly depraved and outrageously hilarious, his comic strip, Rehabilitating Mr. Wiggles, turns family values on its head. Journey to a wonderful world of addiction, intoxication, psychosis, and misanthropy all at the hands of a sexually deviant teddy bear and his human companion. Nothing this wrong should make you laugh this hard!
