Favorite Clean Family Jokes for Children
Q: What do you get when you cross a thought with a light bulb? A: A bright idea! We love jokes and decided to bring you some of our favorites --from knock knock jokes to smelly skunks to trips to Pluto, theyre found in here! A perfect gift any day! All of the jokes are clean, silly, and perfect for children to tell over and over...as children love to do. Illustrated by children and a mom, this book inspires drawing silly conclusions about each joke.... What one child sees, another sees something entirely different, making the jokes even funnier with time. So heres an ideagrab a cup of milk and a plate of cookies, a drawing pad of paper and some pencils, and see what your imagination comes up with as each joke is shared.
