

Simply Precious: Moments in Time with a Remarkable Cat

A hilarious and heart-warming story of a cat rescued from certain death by a pair of animal lovers in the mountains of upstate New York. The adventures of Precious, the cat, through sixteen years as an office assistant, wedding hostess, tourist, comforter of the sick and the aged, and the center of attention wherever she went. A real-life example of why we should never turn our backs on abandoned animals. All profits from the sale of this book go to a humane society.
