

Passing the ICT Skills Test (Achieving QTS Series)

All trainee teachers hoping to gain Qualified Teacher Status need to pass a computerised ICT skills test. The test is designed to ensure all those qualifying as teachers have a sound grasp of fundamental ICT skills such as databases, word processing and the Internet and can apply these in their work. This book outlines the test requirements and explains the basic subject knowledge essential to completing the test. Fully updated to comply with the TDA standards, this new edition also includes a glossary and suggestions for further reading to ensure trainees can prepare to complete their test confidently and successfully.
